

Boone County Resource Council

Community Service Directory

Mission:

The Mission of the Council is to plan for and develop resources necessary to improve the health, recreational, and social services in Boone County.

THIS GUIDE IS MADE POSSIBLE THROUGH THE BOONE COUNTY RESOURCE COUNCIL.

Email: cjohnson.sanctuary@gmail.com

SUMMARY OF SERVICES:

The Boone County Resource Council, BCRC, was established in 1992 by concerned citizens of Boone County. The mission of the Boone County Resource Council is to provide a forum for learning and sharing about resources available that can enhance the health, recreational, and social service offerings in Boone County.

Attending Boone County Resource Council Meetings is a great way to stay connected to all of the non-profit events and information in the Boone County area. Network, communicate and affiliate with local providers and directors of health agencies, social services and senior programs. Learn about faith-based outreach programs, school-based programs, employment assistance, housing, insurance, daycare, emergency preparedness, commodities, utilities, etc.

Great guest speakers that can help your organization better serve your clients/customers.

Provides this **FREE** comprehensive community-wide resource guide as well as a one-page guide for you to give to your clients/customers.

MEETINGS:

Meeting information is posted on Facebook and e-mailed when possible. Meeting are held at hosting agency sites.

MEMBERSHIP:

There is no membership fee and anyone is welcome to attend.

ACHIEVE COMMUNITY ALLIANCE

303 N. Main Suite 206
Harrison, AR 72601
Phone: (870) 743-2827
www.achievecommunity.org

SUMMARY OF SERVICES:

Achieve Opportunity is our name for Community and Employment Support (CES) Waiver, often called "Medicaid waiver" or "IDD waiver".

Achieve Opportunity provides 1:1 support in the client's home, providing the support needed to maintain independence and build self-care skills. This program is offered through approval from the Department of Human Services (DHS). DHS takes applications year-round, although there is a long wait list for approval of services. Once approved for CES Waiver, families can contact Achieve Community Alliance to get setup with a caregiver, or you can choose to bring your own caregiver to Achieve Opportunity. If you choose to bring your own caregiver, they'll need to be hired through our typical HR hiring process, including background checks and orientation. We would love to talk with you today about getting setup on Achieve Opportunity!

All intellectual and developmental disabilities are welcome

SUMMARY OF SERVICES:

OUR MISSION:

To educate, equip, and encourage the Christian community to provide a future and a hope for children in foster care in Arkansas.

OUR VISION:

No waiting children.

The CALL is working toward having Christian families waiting to provide a home for every child in foster care in Arkansas.

THE CALL'S MODEL FOR MINISTRY:

The CALL's local affiliates recruit, train, and support Christian families to meet the needs of children in foster care in local areas and connect volunteers with opportunities to serve. Affiliates deliver elements of The CALL's programs at the local level. All affiliates are led by Christian staff or volunteers who are passionate about ensuring that every child in foster care has a home. Each affiliate is overseen by a local leadership team.

OUR PARTNERSHIP WITH DCFS:

The CALL and the Arkansas Division of Children and Family Services (DCFS) enjoy a unique and unprecedented partnership between a faith-based organization and a government agency. The CALL's volunteer work collaboratively with DCFS staff to move foster and adoptive families through the certification process. The CALL focuses on recruiting, training, and shepherding prospective families through the certification process. DCFS screens and approves families, and makes all decisions regarding child placements.

CERTIFIED NURSING ASSISTANT/MED-PRO-ED

North Arkansas College (North Campus)
Physical: 1320 N. Spring Rd.
Mailing: 1515 Pioneer Drive
Harrison, AR 72601
Phone: (870) 391-3140

SUMMARY OF SERVICES:

Our Certified Nursing Assistant (C.N.A.) Program introduces basic concepts and principles in assisting with nursing care. Emphasis is placed upon the development of fundamental nursing assistant skills, including proper techniques, effective communication, and the ethics of healthcare. This program serves as a starting point for a variety of health careers. Students receive "hands-on" clinical training in a long-term care facility under the guidance of their instructor. This provides the student with an opportunity to develop many aspects of their nursing skills by conducting direct patient care. Three-week classes are offered during the day, eleven months per year. Sponsorships may be available to cover the cost of these classes. Upon successful completion, candidates are qualified to sit for their Certification from the State of Arkansas.

The Medical Professional Education (Med Pro Ed) Program allows high school students from the surrounding area to earn dual credit (both high school & college) and a state C.N.A. certification at little to no cost to them. Students are able to achieve this through varying state-funded programs. These students follow the same state-certified curriculum as adult learners, which allows them to test for certification and apply to work as a CNA. By completing complementary healthcare courses, Med Pro Ed students can also earn a Certificate of Proficiency in C.N.A. and E.M.T. and be pinned at Northark's Spring Graduation.

GRANDMA'S HOUSE

CHILDREN'S ADVOCACY CENTER

501 West Stephenson Avenue

Harrison, AR, 72601

(870) 517-1681

SUMMARY OF SERVICES:

Grandma's House is a nonprofit organization that provides a coordinated, multi-agency response to the investigation, intervention, and treatment of child sexual and physical abuse. As a children's advocacy center (CAC), it serves as a safe, supportive place where children and their non-offending family members can receive assistance while navigating both the emotional impact of abuse and the investigative process. Services also include referrals to additional community providers as needed.

The CAC offers a welcoming, child-friendly environment designed specifically with children in mind. Rather than retelling their experiences to multiple adults, children meet with a trained forensic interviewer in a comfortable setting. The interview is video recorded to reduce the number of times a child must share their trauma and to provide investigators with accurate, reliable information.

Children who require medical care are seen onsite by a specialized Pediatric Sexual Assault Nurse Examiner (SANE) in a child-focused exam room. In addition, trained Child & Family Advocates provide ongoing support to non-offending caregivers by helping them understand the investigative process, connecting them to resources, assisting with victim compensation claims, and ensuring that each family's unique needs are addressed throughout their journey.

Grandma's House also connects children and families to trauma-informed mental health services, including referrals to specialized therapists who provide evidence-based treatment for child abuse survivors.

Beyond direct services, Grandma's House works to prevent child abuse through education and outreach. Staff provide awareness and prevention programs to schools, churches, businesses, and other community organizations across the region.

SUMMARY OF SERVICES:

Independent Living, Inc. (ILI) has been providing services to individuals with developmental disabilities since 1985. ILI has an integrated array of services and supports designed to assist clients so that they may reside successfully in their own homes, with a family, or in an alternate living situation. ILI's services are individually tailored and may range from 40 hours a month to 24 hours a day, depending on need. A plan is developed for each client with the aim of helping clients achieve maximum independence, eventually reducing or eliminating their need for services altogether.

WE OFFER THE FOLLOWING SERVICES FOR OUR CLIENTS:

Personal Care Assistance— For clients needing more intensive assistance with activities of daily living, such as bathing, dressing, toileting, and personal hygiene.

Case Management— Initiates services needed, and the ongoing monitoring of all services provided.

Residential Services— A supervised living program for clients who require 24-hour assistance and care. Facilities include two group homes and an apartment building.

iLearn— Aimed at assisting clients with acquiring, retaining, or improving skills in a wide variety of areas that directly affect their ability to reside within the community.

Supported Employment— iLearn and I Work have partnered with Arkansas Rehabilitation Services to increase our ability to meet the employment needs of our clients and to help our clients find competitive, fully integrated jobs in the community.

Transportation— Utilizing a fleet of 11 vehicles to provide clients with access to community activities, ILI services, and institutions.

NORTH ARKANSAS COLLEGE

1515 Pioneer Drive
Harrison, AR 72601
Phone: (870) 741-3000
Website: www.northark.edu

SUMMARY OF SERVICES:

Founded in 1974, North Arkansas College (Northark) is a public two-year college offering transfer and technical degree programs, one-year technical certificates, certificates of proficiency, customized business and industry training, adult basic education (GED) classes, and non-credit community education courses. In addition, partnerships with area universities provide the opportunity to achieve a bachelor's degree in Harrison, Arkansas. Northark offers several online degree and certificate options.

We pride ourselves in providing a successful academic experience to our students. We're especially proud that 98 percent of our students would recommend Northark to a friend or family member. Northark is more than a college; it's a community. A variety of student organizations allow students to maximize learning experiences outside of the classroom.

Pioneer athletics draw sports fans, student athletes, and visitors to Pioneer Pavilion on the South Campus each year. The college fields teams in basketball, baseball, softball, and golf.

A disc-golf/cross-country course on campus and frequent community events paired with nearby attractions such as the Buffalo National River and Branson, MO, provide opportunities to explore the beautiful Ozark Mountains. The College regularly hosts campus events and lectures free to the public.

NORTH ARKANSAS PARTNERSHIP FOR HEALTH EDUCATION (NAPHE)

818 Hwy 62/65/412
Harrison, AR 72601
Phone: (870) 849-7300

SUMMARY OF SERVICES:

Now celebrating 28 years of community service, NAPHE provides a wide range of community-based programs and activities that focus on improving community health for residents of the region. Projects focus on identified community needs and are developed in partnership with community stakeholders to address substance misuse, chronic disease, and health education. A comprehensive health information resource library is maintained on-site for use by the public. Services cover the lifespan from birth, which supports a longer health span (the number of years we can expect to live in good health). Information dissemination is provided electronically, as well as through community presentations such as Hidden in Plain Sight and others. Annual activities also include healthcare and substance misuse prevention conferences, town hall meetings, Rx drug take-backs, overdose awareness events, Red Ribbon Week celebrations, suicide prevention activities, youth prevention trainings, anti-stigma education, Narcan trainings, participation in health fairs and festivals, as well as advertising and promotional campaigns related to service deliverables. Our goal is to encourage healthier lifestyles that improve the health and well-being of all residents.

(870) 414-4100
Fax: (870) 365-3034
Email: NARMC@narmc.com
Website: www.narmc.com

SUMMARY OF SERVICES:

Hospice care is usually provided to the patient wherever they call home. Hospice of the Hills, Hospice House, is where Hospice of the Hills patients may be admitted when symptoms are too severe to be managed at home, or for Respite Care. Respite care is available to patients up to five midnights per calendar month so that families can get a much-needed break.

Hospice Services are available when a patient's physician determines that they can no longer benefit from curative treatment of a terminal condition and the patient has a general life expectancy of approximately six months or less. The patient may elect to receive comfort care at home or in a residential facility by a special team of trained professionals, including physicians, nurses, social workers, chaplains, aides, and volunteers. In Hospice, patients are treated holistically, focusing on physical, spiritual, and emotional needs, looking at the quality of life and not just the length of time. Hospice provides services not only to the patient, but to the family and caregivers as well.

Patients are provided with all hospice-related medication and medical equipment necessary for their care at no additional cost to the patient or family. The Hospice Medical Director is available to the patient or family. The Hospice Medical Director is available to the patient, family, or the primary physician, who the patient may retain if they desire, as part of the Hospice Team.

Hospice of the Hills services Boone, Newton, Carroll, Marion, and Searcy Counties. No patient is ever turned away from Hospice of the Hills, regardless of their ability to pay.

HOURS OF OPERATION:

Office: 8:00 AM TO 4:30 PM, Monday through Friday, RN is on call 24 hours a day. The Hospice House is staffed 24 hours/7 days a week when patients are present.

SUMMARY OF SERVICES:

Ozark Opportunities, Inc. is a private nonprofit 501c3 established as a Community Action Agency providing services to six North Arkansas counties: Baxter, Boone, Marion, Newton, Searcy and Van Buren.

OOI performs Community Needs Assessments regularly for strategic planning purposes and is currently operating the following programs: Head Start Pre-K, Early Head Start (infants & toddlers), ABC Pre-K, CCDF Toddler Program (Mountain Home), CACFP Nutrition Program, Emergency & Stability Services (ESS), SUCCESS Family Development, Low-Income Home Energy Assistance (LIHEAP), and Healthy Families of America (all 6 counties listed above in addition to Carroll County.)

PROGRAMS INCLUDE:

- Early Childhood Education provides educational lesson plans from birth to 5 years of age and consists of Head Start and ABC pre-K classrooms (3-5) and Early Head Start (0-3) at no cost to enrolled families- an application and eligibility is necessary.

**In addition to educational opportunities, our programs provide comprehensive health development in coordination with community partners.

**Family Support Services and goals are prevalent to ensure parental involvement as the primary educator of their children.

**The CACFP Nutrition Program is utilized to provide breakfast, lunch, and snacks to all enrolled children.

- LIHEAP provides both emergency (within 7 days of disconnect) and non-emergency assistance with energy costs pertaining to electric, propane natural gas heating and cooling and wood heat. This assistance is meant to decrease the energy burden of individuals to establish/re-establish utility services, avoid disconnection and/or corresponding eviction to improve quality of life.

**Non-emergency services are determined by number of household members and gross monthly income.

- SUCCESS is an intensive family of individual program to assist individuals to obtain basic needs and achieve financial independence through a means of assessments, goals and training seminars. Goals may include obtaining a job, maintaining the job, reliable transportation, affordable housing, improve life skills, obtaining secondary education and improving financial literacy skills.

SUMMARY OF SERVICES:

Ignite youth programs are school-based coalitions passionate about improving their school and community to be alcohol and drug-free. Coalitions are developed in collaboration with each Boone County School District (Alpena, Bergman, Harrison, Lead Hill, Omaha, and Valley Springs) to provide youth with opportunities for peer leadership to help promote the reduction of substance misuse by their peers. Vetted evidence-based training and curriculum materials are provided to each school district by Arkansas Certified Prevention Specialists affiliated with the Boone County Voices for Prevention (VFP) Coalition and North Arkansas Partnership for Health Education (NAPHE) Substance Misuse Prevention Team. Activities also include hosting youth prevention conferences and working with community leaders to help change the environment related to substance misuse.

VFP believes that substance misuse “Must Stop at Our Community’s Door”!
